Programa Ciência-Viva no Laboratório 2016

The Business Research Unit (BRU-IUL) participated for the first time in the Programa Ciência-Viva no Laboratório 2016, with a research Internship about "*Bem estar, inovação e desempenho no trabalho*".

This research internship was held between the 11th and the 15th of July 2016.

In this research internship participated four students, who are at the secondary school level.

We would like to thank the researchers Patrícia Costa and Sílvia Silva, who have helped the BRU-IUL Team to put together this successful outreach activity!
