2017 Call for SR&TD Projects in all Scientific Domains

SHARE   

The FCT has announced the Call for [Scientific research and technological development \(SR&TD\) project grants 2017](#), with the respective referential of the [Merit of the Project](#).

Deadline for application is **17th May 2017**.

The approved proposal shall receive funding up to **€240.000** each, for a maximum period of 36 months.

All applications must be submitted in **English** through an electronic form at [Balcão 2020](#).

Useful documents: The [Specific Regulation on the Domain of Competitiveness and Internationalization \(RECI\)](#) and the [Regulation on Projects Funded Solely by National Funds](#).

Regarding the 2017 Call for SR&TD Project Grants, the following documents have been published:

- [Specific Regulation on the Domain of Competitiveness and Internationalization \(RECI\)](#)
- [Regulation on Projects Funded Solely by National Funds](#)
- [Announcement of the Call](#)
- [Merit Referential](#)
- [Balcão 2020 – electronic form / clarification of doubts](#)
- [Scientific Areas and Evaluation Panels](#)
- [Guide for proponents from the state of São Paulo \(Brazil\)](#)
- [Guide for proponents from the state of Ceará \(Brazil\)](#)
- [Support Guide to Balcão 2020 and to the electronic form](#)

The submission of the proposals this year is done exclusively through [Balcão 2020](#), and the process is substantially different from before.

The BRU-IUL calls your attention to the fact that the initial part of the procedure requires definition of the user category, that can be provided only by the beneficiary institution (in our case ISCTE-IUL). However, the **specific details of this procedure are still in the process of being decided and defined by our institution**.
